A first look at your
TREELINE EXPERIENCE

Perfectly placed in the beautiful resort of Portes du Soleil, your Treeline Chalet is nestled in the traditional alpine town of Morzine — where the snow falls thick, pine trees grow tall, and the atmosphere is unlike any other. Surrounded by dramatic mountain landscapes, the rushing river Dranse and local Savoie culture, we hope your stay with Treeline will allow you to stop and soak up the magical mountain environment and truly relax in style and comfort.

Founded in 2009, a desire to live in the mountains, a passion for food and a genuine love of people were the main motivators for starting Treeline Chalets, and these remain to this day.

An owner-operated company, we pride ourselves on offering some of the finest chalet experiences in Morzine, with a professional, knowledgeable and friendly team who will always go the extra mile to ensure every guest's stay is as seamless and relaxing as possible.

During your stay, please don't hesitate to get in touch with our team if we can help in any way. We are always contactable by email or phone:

PORTES DU SOLEIL

The Portes du Soliel (PDS) enjoys exceptionally good snowfall from early December to the end of April, with an average of 8m of powder every year.

Morzine's snow record is excellent as the Portes du Soleil sits within the Mont Blanc weather system. This, coupled with an advanced snowmaking system, ensures that there are always brilliant pistes for you to ride throughout the season.

Sitting at the bottom of the valley at 1000m, Morzine has direct access to some of the best skiing and snowboarding in the Portes du Soleil. The Pleney bubble is easily accessible from the middle of town and takes you to the Nyon and Les Gets ski areas. The Super Morzine Telecabine and Prodains Express both take you up to Avoriaz where you can explore the higher terrain and ride over to Switzerland and the rest of the massive Portes du Soleil.

Morzine's situation is ideal for all ranges and abilities of skiers or snowboarders; from the family friendly long blues of Les Gets to the off piste and freestyle parks of Avoriaz and beyond. Switzerland is only three lifts away, meaning you can explore somewhere new every day. With freeride terrain everywhere, there's plenty to keep the more advanced

testing themselves all week, including the infamous 'Swiss Wall' which offers an epic mogul run, not for the faint hearted! Or why not try out a freestyle park, Avoriaz alone has four parks catering for all levels of riders from complete beginners to advanced. Avoriaz also boasts The Stash, a forest park situated in the Lindaret bowl made entirely of wooden features. If you're new to parks or looking to take the children, The Chapelle Park offers graded features and families will love 'The Mini Stash' which includes a hidden tree house!

If you're looking to ski a big area and travel some distance, a great day out for those confident on reds is the full day Portes du Soleil circuit. Covering 80km of Piste and 2 countries, you won't use the same lift twice. The perfect way to discover the true size of the Portes du Soleil!

The problem is

The weekly tourist information 'What's On' guide will let you know of events on during your stay.

SNOW-SHOEING

Strap lightweight snowshoes to your feet and walk effortlessly through deep snow. You can join a group led by a knowledgeable local guide and explore the hidden parts of the valley. We recommend Days Away Adventures, as they run guided walks through the winter months.

ICE RINK

Located next to the Tourist Office, a great activity for kids!

ICE HOCKEY

The Morzine-Avoriaz Penguins Ice Hockey Team takes their game very seriously. The ice rink is beside the swimming pool, with games regularly played throughout winter; it's a great spectator event! Check the game schedule and buy tickets: <https://www.hockey-morzine.com/>

CROSS COUNTRY SKIING 'SKI DU FOND'

Explore tranquil cross-country trails at your own pace. Ski, pole and boot hire is available for around €15-20 per day from the hire shops in town. Lessons are available from ESF. A separate piste map is also available.

HORSE SLEIGHS

Available in Morzine or through the snowy streets of Avoriaz, kids love it!

HUSKY SLEDGING

Be in charge of your own sled and team of excitable husky dogs, driving them along forest paths.

PARAGLIDING 'PARAPENTING'

From the mountain tops, glide down to the bottom of the valley in a tandem paraglide controlled by a certified instructor. The best views!

LOCAL MARKET

Every Wednesday morning in the Carrefour parking area, local suppliers from the Savoyarde region.

NIGHT SLEDGING

Accompanied by experienced mountain safety teams. Wrap up warm & wear goggles, it can be pretty extreme at times!

The fantastic indoor swimming pool with sauna is a great activity. It's situated under the Super Morzine lift.

SPA

Les Gets has a brand new spa facility called SPA Les Sources du Chéry, it's the perfect place to unwind and lose a few hours to total relaxation.

Treat yourself to a relaxing massage or sports massage. We recommend Mountain Rehab, located on Route de la Plagne for massages. You can also get groomed & beautified in the chalet by some of our local beauticians or massage therapists that can come to you at your chalet. Speak to your hosts for more information.

CINEMA

Find the REX cinema on Route de Bourg, The board outside shows all the times and films.

COFFEE

Lots of lovely places to enjoy some coffee time in Morzine. Satellite Cafe or Solide both on Rue de Bourg for your morning caffeine fix.

APRÈS

One of the liveliest spots is Bar Robinson after a day on the hill, sample the ‘Mutzig’ beer (it can be anything from 7-12%!). Le Tremplin at the foot of the Pleney run home will be re-opening with plenty of Apres plans after it’s external Refurb. Le Cavern is also fabulous with live music for apres. Or alternatively stay up in Avoriaz and head to the Folie Douce to enjoy the full apres action with live music and entertainment. The gondola runs late to help you back down the mountain afterwards.
